

Timely Warning Policy

Concordia Theological Seminary (CTSFW), Fort Wayne, Indiana

Reason for Policy

In accordance with regulations from the U.S. Department of Education, every Title IV institution of higher education must have and disclose a policy statement on timely warning procedures.

Policy Statement Addressing Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the CTSFW Public Safety or the Seminary administration, constitutes an ongoing or continuing threat, a campus wide timely warning will be issued. The warning will be issued through any or all of the following methods: Blue News announcement; email to students, faculty and staff; the CTSFW emergency notification system; the Seminary website www.ctsfw.edu .

Depending upon the particular circumstances of the situation, especially in all cases that could pose an immediate danger to the community and individuals, Public Safety may also post a notice on the campus-wide bulletin boards (or in other highly visible areas) located in various places on the Seminary campus.

Anyone with information warranting a timely warning should report the circumstances to Public Safety by phone, 260.452.2110, or in person at the Public Safety Office located in the Welcome Center at the west end of Wyneken Hall.
